Self-Assessment - Technology Users and Early Adopters

Company / Organization Information

Name _____

Address _____

Town/City _____

Country _____

Postal / Zip Code _____

Phone _____

Email _____

Can we post your responses? 　Yes ◯ No ◯

Can we contact you to follow up? 　Yes ◯ No ◯

Preferred Method of Contact _____

Please briefly describe your company or organization:

_____

_____

_____

Please briefly answer the following questions and submit the completed survey to:

gps@globeperformance.com

1. Technology Needs (user perspective)

1.1 Do you have specific technology needs? 　Yes ◯ No ◯ Don't know ◯

1.2 Are these needs unique to your organization? 　Yes ◯ No ◯ Don't know ◯

1.3 Are you seeking to replace existing technologies for current applications? 　Yes ◯ No ◯ Don't know ◯

1.4 Are you seeking to acquire new technologies for new applications? 　Yes ◯ No ◯ Don't know ◯

1.5 What is motivating your need for new technology?

New regulations/ bylaws ◯

Public opinion ◯

Environmental/sustainability concerns ◯

Cost ◯

Other ◯

Other Comments:

_____

_____

2. Technology Application (user perspective)

2.1 Have you clearly defined the specific applications where technology solutions may be required?　　Yes ◯　No ◯　Don't know ◯
Please list them (if any) _____

_____

2.2 Have you successfully applied technology solutions to address these needs to date?　　Yes ◯　No ◯　Don't know ◯
Please list them (if any) _____

_____

2.3 Are you generally satisfied with your technology choices?　　Yes ◯　No ◯　Don't know ◯

2.4 Are there things that need to be done to improve the acceptability of specific technology solutions you currently have?　　Yes ◯　No ◯　Don't know ◯
Please list them (if any) _____

_____

Other Comments:

_____

_____

3. Technology Performance (user perspective)

3.1 Have you defined the performance requirements for your proposed technology solutions?　　Yes ◯　No ◯　Don't know ◯

3.2 How many distinct performance requirements can you define for your proposed technology solutions?

None ◯
1-3 ◯
4-6 ◯
More than 6 ◯
Don't know ◯

Please list these requirements (if any) _____

_____

3.3 Are these performance requirements measureable?　　Yes ◯　No ◯　Don't know ◯

If yes, please list the measureable performance requirements

_____

_____

3.4 Are there potential environmental or other impacts associated with the application of your proposed technology solutions?　　Yes ◯　No ◯　Don't know ◯
Please list these impacts (if any) _____

_____

3.5 Are you willing to go beyond minimum standards of performance?　　　Yes ◯　No ◯　Don't know ◯

Other Comments:

_____

_____

4. Technology Performance Data (user perspective)

4.1 Do you have data on the performance the proposed technology　　　Yes ◯　No ◯　Don't know ◯
solutions you are considering?

4.2 Was the performance data prepared by an independent testing　　　Yes ◯　No ◯　Don't know ◯
organization?

4.3 Is the performance testing organization accredited?　　　Yes ◯　No ◯　Don't know ◯

Please list these accreditations (if any) _____

_____

4.4 Was the performance testing done in accordance with existing　　　Yes ◯　No ◯　Don't know ◯
international standards?

If yes, please list these standards _____

_____

Other Comments:

_____

_____

5. Performance Verification and Reporting (user perspective)

5.1 Has the technology performance test data been reviewed by an　　　Yes ◯　No ◯　Don't know ◯
independent verification organization?

5.2 Is the performance verification organization accredited or part of a　　　Yes ◯　No ◯　Don't know ◯
recognized national or international program?

Please list these accreditations and/or programs (if any) _____

_____

5.3 Is there a report available on the performance testing and verification　　　Yes ◯　No ◯　Don't know ◯
of the proposed technology solution?

If yes, please indicate how this can be obtained _____

_____

5.4 Is the performance of the proposed technology posted on the internet?　　　Yes ◯　No ◯　Don't know ◯

If yes, please indicate where the performance of the technology solution is posted
